

CERTIFICATE

OF PARTICIPATION

This certificate is presented to

Aaysha Ali

For successfully participating in the **2-Day** online workshop titled '**Molecular Docking: From Theory to Application**' conducted by **Discovery Boulevard** from **June 19-20, 2026**. The 2-day workshop covered the complete molecular docking pipeline: receptor and ligand preparation, grid parameter file generation, docking execution, result analysis, and validation. It also included multi-ligand virtual screening and preparation of publication-quality interaction visualizations.
